Mr. Walter's loss will nearly reach \$6,000, in which his partner, Mr. Moriarty suffers with him. We are truly sorry to hear of this misfortune overtaking these gentlemen, as they are both hard working, able newspaper men; an honor to the fraternity. After a dry year, good wheat; after a deep frost, good corn, a hotting favorable next season is the peach crop, but apples will be scarce." —The little nine-year-old son of Wile and Lotta Kennedy met with a severe accident on Sunday last. While out riding horseback, he accidentally fell from the horse breaking his left arm in two places. Doctor Goshin was called to set the arm and the little sufferer is doing as well as could be expected. —The Republicans and all other voters of the County, are invited to meet the nominees of the Republican party at the following times and places: Hon James M. Limbird and the county candidates at Forbes, on Tuesday evening, October 6, at 7 o'clock P. M.; at Maitland, Wednesday, October 6, at 7 o'clock P. M.; at New Point, Thursday, October 7, at 7 o'clock P. M.; at Council Grove, Friday, October 8, at 7 o'clock P. M. The various township committees are requested to make all necessary arrangements. —Sir Knight, D. T. Kyger, of Walla Walla, Washington Territory, is in our city on a visit with his brother, N. J. He is on his return home from St. Louis, where he was in attendance at the Triennial Conclave of the Knights Templars of the United States. His visit to our city is his first since his school boy days in our city, seventeen years ago, and he was surprised at the many changes that had taken place since his absence; but few of his old school chums remain, and those whom he most had grown out of his recollection. He gave us a very pleasant call and from him we learned that he was highly delighted with his trip to St. Louis; we wish him a safe return to his home. —We are not overly egotistic, but we must produce the following words from Stedman Morehead, of the Aitchison County Journal, who was a delegate to the recent judicial convention, and in speaking of his visit to our city, pays the following compliment to the Sentinel: "We called at the Sentinel office and found our good friend Deacon Dobyns hard at work. His partner Mr. Curry came in and pressed our papers. The Sentinel is one of the pioneer papers of the northwest and it wields a greater influence to-day than at any former period. Its editor, Mr. Dobyns, was before the recent Holt county convention for the office of recorder, but failed to secure the nomination. Locality was against him. Like the tripartite he is, he placed his shoulder to the wheel and is striking jailing blows for the entire ticket. May the god of fortune (and delegates) smile on him in the future."</p>	<p>—Cora Fry, the child wonder, appeared before Custer Post, St. Joseph, on Thursday evening at their Camp Fire for the benefit of the Charleston sufferers. —We regret to learn that Mr. Brant Foster, living in the Culp neighborhood, lost a valuable horse one day last week by breaking his back, from falling into a well. The loss falls heavily on Mr. Foster, as he is a poor man, and we trust that some way may be devised by which he can be assisted by his friends. —Craig's popular candidate for collector, W. M. Boyer, was working up his interests in Hickory township last week. We supported Mr. Boyer from the start and pledged ourselves, should he be nominated, to give him our hearty support through the campaign. This we will do, well knowing that no man in Holt county would make a better collector, or a more efficient officer. The Meteor advocates the claims and the election of W. M. Boyer for county collector from now until the sun sets on election day.—Craig Meteor. —This county campaign should be sharp, active and aggressive from the start. There should be no letting down anywhere. Every point should not only be vigilantly protected. The most experienced workers, those known to be absolutely trustworthy and loyal to the cause have been called to the management of the campaign. That there must be good management as well as earnest and persistent work everybody understands. The Republicans and their natural allies in the county were never more enthusiastic; never more inclined to put together in support of candidates, but they are united in the belief that to achieve success wide direction is as much needed as enthusiasm. —There is not a single substantial reason why every one of the Republican nominees should not receive the hearty, enthusiastic support of every Republican in Holt county. Every candidate won the nomination fairly, honorably, manly. Their characters and reputation as men and citizens are above reproach. Every one, from top to bottom is eminently qualified to fill the office for which he has been nominated. Not a single charge of any kind can be substantiated against them. We believe that every one of our nominees will make excellent officers, and we believe upon investigation that the "garden agency" as recorded by the other eyeglassists; also the prayers of Jesus in that supreme hour of trial, and the sleep of the disciples while those sorrowful scenes were passing."</p>	<p>—Thos. Partidge, of Amazonia, has located in our city. —H. C. Schmidt and wife are visiting friends in Kansas City. —J. Henry Nies has made important changes in his business house. —Mrs. Mary McKnight has had a handsome pocket fence put up on the east side of her place—Nathaniel Folk is the artist. —The following is the program for the Y. W. C. T. U. for their next meeting, this Friday evening, October 1: Recitation, Lullaby; Questions, Nettie Lyman; Selection, H. Montgomery; Instrumental music, Lizzie Allen; Recitation, Emma Jones; Reading from Union Signal, Carrie O'Fallon. The members and officers of the society are earnestly requested to be present. —"The Betrayal of Jesus" is the subject for consideration by the Sunday school workers next Sabbath, October 3rd: "We come here on the closing scenes of the divine tragedy which ended on Calvary. But for our familiarity with the record it would make deeper impressions than any other of all history. As far as possible, let us now study it as though it were wholly new to us. In the early part of that eventful night, had celebrated the Passover feast with his disciples; had taught the sublime lesson of humility by descending to wash the disciples' feet; had warned Judas of his act of betrayal, and Peter of his fall; had comforted his disciples with words of wonderful tenderness and sympathy; had carefully instructed them as to the source of their strength, and assured them of their safety if they should abide in him; had promised to send the Spirit to guide them into all truth, and become a conquering power upon the world; had offered that majestic prayer which covers the ages, and had given gracious glimpses of his intercession for them when he should have ascended to the throne of his Father—in fact, had left nothing undone or unsaid for which the Pharisees and rulers arraigned him for the arrest of Jesus. The lesson teaches us the fearless course of Jesus; a teacher in every life; the fortifying power of prayer; the self-conviction of the guilty; misdirected zeal; the agony as recorded by the other evangelists; also the prayers of Jesus in that supreme hour of trial, and the sleep of the disciples while those sorrowful scenes were passing."</p>	<p>Republican Rally! Hon. James M. Limbird and the Republican candidates of Holt County will address the people at FORBES, Tuesday Evening, October 5th, 1886. Let everybody—Jew and Gentile be in attendance. HON. B. A. DUNN, Republican candidate for Congress, and the Republican candidates of this county will address the people of Holt County at the following times and places: Maitland, Wednesday, October 6th, at 7 o'clock P. M. Mound City, Thursday, October 7th, at 7 o'clock P. M. New Point, Friday, October 8th, at 7 o'clock P. M. The Judges.
